**COMMUNICATION IN RESPONSE TO
NOTICE TO FILE MISSING PARTS OF REISSUE APPLICATION**

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notice To File Missing Parts Of Reissue Application mailed from the Office on February 5, 2004, the following are enclosed:

1. Copy of the Notice To File Missing Parts Of Reissue Application;
2. Copy of the return postcard as submitted with the reissue application; and
3. Copy of previously submitted Statement under 37 C.F.R. §3.73(b) with enclosures as originally submitted.

Applicant: Josef Weiss
Application No.: 10/673,076

The Notice To File Missing Parts Of Reissue Application states that "the statement under 37 CFR 3.73(b) establishing ownership of the patent is missing." However, the U.S. Patent Office's Image File Wrapper through the U.S. Patent Office's PAIR software clearly shows a scanned copy of the Statement. It is noted that the scanned version in the Image File Wrapper does not contain the assignment document originally attached to the Statement at the time of filing.

Additionally, as evidenced by the enclosed copy of the return postcard submitted with the application, the Statement was in fact submitted with the proper copy of the Assignment document. The Assignment document has also been submitted under separate cover for proper recordation at the U.S. Patent Office's Assignment Branch. A further copy of the Statement with the Assignment document, as originally submitted with the application, is attached herewith for the Patent Office's records.

Accordingly, Applicant believes that it met the requirements for submission of a Statement Under 37 CFR 3.73(b) at the time of filing the reissue application and that a late surcharge fee is not due for this matter. Additionally, it is submitted that the reissue application is in condition for examination, and was in condition for examination at the time of the original filing, and that such examination at an early date is respectfully requested.

Applicant: Josef Weiss
Application No.: 10/673,076

Respectfully submitted,

Josef Weiss
